PRELUDE:

COURAGE & CONVICTION

Introducing Prelude: Courage & Conviction, which features a sneak peek into our new American Single Malt whisky line.

This whisky showcases early stocks of our American Single Malt whisky, with distillation beginning in 2015. This offering is aged one season less than the inaugural Flagship release of Courage & Conviction, where the target profile is four years. This whisky is a marriage of three barrel types which showcase the primary aging casks for Courage & Conviction: Bourbon, Sherry and Cuvée casks.

The Cuvée cask is present in Prelude: Courage & Conviction and will be amplified to highlight this key component in the inaugural Flagship offering of Courage & Conviction, arriving in the Spring of 2020.

Tasting notes: delicate caramel, rich toffee, butterscotch, fig, barrel spice and red fruit
